Majorelle Signature Experience (2 Hour Treatment)

Indulge in our signature ritual designed to renew, nourish, and deeply relax the body from head to toe. Your journey begins with Dry Body Brushing, gently exfoliating the skin to stimulate circulation and promote lymphatic detoxification, leaving the body refreshed and energized. Next, melt into bliss with a Nourishing Argan Oil Scalp Massage, where warm, vitamin-rich oil hydrates the scalp, restores hair vitality, and quiets the mind. The experience concludes with a deeply grounding Hot Stone Massage, as smooth, heated stones ease muscle tension, improve circulation, and invite profound relaxation. This holistic treatment restores balance, radiance, and a lasting sense of calm.

Andalusian Tranquility

Swedish Relaxation Massage

Inspired by the flowing fountains and garden courtyards of Al-Andalus, this deeply relaxing massage uses long, rhythmic strokes to calm the nervous system and restore balance to the body. Gentle to moderate pressure improves circulation, eases everyday tension, and invites a sense of effortless flow. Ideal for relaxation, stress relief, and full-body renewal.

Hot Stone Massage

A sophisticated massage ritual combining heated basalt stones with flowing Swedish-inspired techniques and therapeutic handwork. Warm stones are used as an extension of the therapist's hands gliding slowly over the muscles with long, fluid strokes, while focused pressure and kneading release areas of deeper tension. Strategically placed stones provide continuous warmth, allowing the therapist to work deeper while maintaining a deeply soothing rhythm. The result is an exquisitely relaxing treatment that leaves the body supple, balanced, and renewed.

Sahara Deep Muscle Relief

Deep Tissue Massage

A powerful yet intentional massage that melts away deeply held tension. Designed to release chronic tension and restore muscular balance. Using slow, focused pressure and targeted techniques, this massage works deep into the muscles to relieve tightness, improve mobility, and renew the body's sense of strength and ease.

Amber & Oud Sports Massage

Strength, Recovery, and Indulgence

Harness the grounding warmth of amber and oud in this invigorating sports massage. Designed to target muscle tension, improve circulation, and enhance recovery, Amber & Oud Sports Massage combines focused massage techniques including deep tissue, stretching and joint mobilization paired with the soothing, aromatic richness of traditional oils. Ideal for active bodies or anyone seeking relief from muscular fatigue, this treatment restores strength, eases soreness, and leaves the body energized and revitalized.

Marrakesh Purification Massage

Lymphatic Drainage Massage

Inspired by the cleansing rituals of Marrakesh, this gentle lymphatic massage uses light, rhythmic movements to support the body's natural detoxification process. Designed to encourage circulation and reduce fluid retention, it promotes a feeling of lightness, clarity, and deep relaxation.

Zahra Mother's Care

Prenatal Massage

Inspired by the meaning of Zahra, "flower in bloom," this nurturing prenatal massage is designed to support the changing body with gentle, soothing techniques. Performed with mindful care and adapted positioning, it helps ease tension, improve circulation, and promote deep relaxation for both mother and baby.

Oasis Renewal Reflexology

Step into a tranquil Moroccan escape with Oasis Renewal Reflexology. This nurturing foot and lower leg treatment uses gentle, rhythmic pressure to stimulate reflex points, encouraging balance, circulation, and overall energy flow. Just as a desert oasis brings life and refreshment to the arid landscape, this ritual restores vitality, calms the mind, and leaves you feeling renewed from the ground up.
