The Library

Hotel Californian has everything you need to feel at home away from home. Whether you wish to enjoy a game of Bocce on the beach at sunset, beat your best friend at a game of FIFA, or use a GoPro to prove you really did get barreled at Rincon, the Hotel Californian has you covered. From new and classic board games to video game consoles, digital cameras and the latest gadgets, the Library is here to help make the most of your American Riviera experience. Please contact Reception for availability and additional information regarding specific offerings.
