Preferred Hotels & Resorts is proud to recognize Hotel Californian as “Hotel of the Year – US & Canada” as part of the brand’s 2020 Awards of Excellence. The awards recognize singular independent hotels represented within Preferred’s global portfolio – which includes more than 750 properties worldwide, more than 200 of which are located across the United States and Canada – that went above and beyond in their commitment to delivering meaningful travel experiences and selfless acts of genuine hospitality to their guests and local communities in 2019.
